Sir Robt. A. Falconer, LL.D., etc.,
President,

Toronto.

Dear President Falconer,-

The Council of the Royal Canadian Institute feels that your experiences of this summer would form an exceptionally interesting topic for one of the Saturday evening lectures to the Royal Canadian Institute.

I should like, therefore, on its behalf, to extend to you an invitation to address the Institute if possible in November or December and I very sincerely hope that you will be able to arrange to accept. I am sure your acceptance will receive the sincere appreciation of the Institute and its constituency.

Faithfully yours,

H.F. Dawes

Hon. Secretary.

Professor R. F. Dawes,
The Royal Canadian Institute,
198 College Street,
Toronto.

Dear Professor Dawes:

I am directed by Sir Robert Falconer to acknowledge the receipt of your letter of September 28th asking him to speak to the Royal Canadian Institute some evening in November or December. He asked me to say that he has really nothing to say but if you wish an evening filled up he will be glad to do what he can for you. I suppose now on account of the epidemic of influenza no meetings will be held for some time. However, a definite date can be arranged later if you desire it.

Yours very truly,

President's Secretary.

THE ROYAL CANADIAN INSTITUTE

198 COLLEGE STREET

TORONTO, Nov. 20, 1918.

Sir Robert Falconer,
President,
University of Toronto,
Toronto.

Dear President Falconer,-

I was very pleased to receive your consent to give one of the Saturday evening addresses to the Royal Canadian Institute and am sorry that I did not feel justified in making final arrangements until the present time on account of the influenza situation. The Council of the Institute will be very grateful to have you address the Institute on the evening of December 7th, if that date is acceptable to you.

I presume that the topic on which you will speak is one suggested by your experience of the summer. Would it be satisfactory to announce as a subject "The Khaki University"? If you wish, however, to emphasize some other phase of your experience, you will of course tell me in your reply.

Very faithfully yours,

H. F. Dawes

Hon. Secretary.

November 22nd, 1918

Professor H. P. Dawson,

Hon. Secretary,

The Royal Canadian Institute,

Dear Professor Dawson:

I shall be glad to speak before the Royal Canadian Institute on the evening on December 7th, and since you desire the "Khaki University" I shall take that as my subject.

Yours sincerely,

President.
